

MEGABY

Mey Green, singer and songwriter, begins a new stage in her career.

Together with **Gabriel Peso**, arranger and producer, they both form **MEGABY**. A project that is born from their musical connection and that grows quickly on the main idea of enjoying music. With an air of English pop, it mixes electronic sounds with real instruments.

MEGABY a unique project, created, directed and produced by them, Mey and Gaby.

MEGABY a point of union of two musical careers. Two talents doomed to meet.

"You" is their first single. Electronic dream pop, available from November 13, 2020 on all digital platforms.
